

COMPANY PROFILE 2026

www.slashsofttech.com

CEO STATEMENT

As Director of Spinner International Limited, I lead the digital product strategy of Slash SoftTech, focusing on ready-made, subscription-based, and in-house software solutions that help businesses launch faster and scale smarter. With a background in Computer Science & Engineering, I ensure every solution aligns technology with real business value.

At Slash SoftTech, we build scalable digital products, including SaaS platforms and multi-vendor ecosystems like **Slash Mart**. My priority is driving innovation, strengthening teams, and delivering reliable, growth-oriented digital solutions that create long-term impact.

SABBIR AHMED MAMUN

CEO of Slash SoftTech

ABOUT OUR COMPANY

Slash SoftTech is a technology-driven software company and a proud concern of Spinner International Limited, delivering scalable and user-centric digital solutions for modern businesses. Since 2017, we have been developing custom software, web and mobile applications, enterprise systems (ERP, CRM), e-commerce platforms, AI/ML, blockchain, live streaming systems, and UI/UX design with a strong focus on quality, usability, and performance.

Alongside our software expertise, our sister concerns operate in apparel manufacturing, in-house digital products, clothing brands, garments production, and multi-vendor e-commerce platforms—creating a diversified business ecosystem. With 9+ years of industry experience and 500+ successful projects delivered globally, we empower businesses to streamline operations, strengthen digital presence, and achieve sustainable growth through reliable, cost-effective, and timely technology solutions.

OUR COMPANY VISION

Slash SoftTech envisions driving sustainable growth in the IT sector by making reliable and high-quality technology solutions accessible to businesses and communities in Bangladesh and beyond.

- **Expanding access to modern IT solutions**
- **Strengthening the local and global technology ecosystem**
- **Supporting digital transformation across industries**

OUR COMPANY MISSION

Our mission is to deliver high-quality, cost-effective IT solutions by maintaining technical excellence, ethical practices, and a strong commitment to innovation, while empowering businesses and future talent through technology.

- ▶ **Deliver scalable and secure software solutions**
- ▶ **Maintain quality, integrity, and industry best practices**
- ▶ **Promote efficient use of IT for business productivity**
- ▶ **Support and nurture next-generation tech talent**
- ▶ **Create long-term value for global clients**

OUR MILESTONES

Slash SoftTech, a subsidiary company of **Spinner International Limited**, has steadily evolved since inception, delivering innovative IT solutions globally.

2018

Trained 500 students at Sheikh Kamal IT Incubation Center, marking our commitment to skill development.

2019

Launched as a software company, establishing the foundation for growth and innovation.

2022

Partnered with multiple companies on web, mobile, and game development projects, including a United Nations project.

2023

Expanded into live streaming and gaming, diversifying our digital offerings.

2024

Developed blockchain and AI platforms while enhancing proprietary products to showcase continuous innovation.

2026

Strengthened global software and digital services, continuing expansion under Spinner International Limited.

HOW WE WORK

Slash SoftTech follows a clear, agile, and client-focused workflow to turn ideas into reliable, scalable digital solutions.

Venture Tech Partner

We work as your strategic technology partner, closely aligning with your business goals to provide guidance, planning, and innovative solutions that support long term growth and informed decision making.

Custom Software Development

Our agile-driven development process delivers tailored software solutions designed for performance, scalability, and seamless integration—built to match your exact business requirements.

Dedicated Team Hiring

We provide skilled, dedicated teams that collaborate as an extension of your business, ensuring flexibility, technical expertise, and continuous support throughout the project lifecycle.

WHY CHOOSE US

Since 2017, Choose Slash SoftTech for experienced developers, agile execution, and reliable digital solutions delivering scalable, secure, and high-performance technology for startups to enterprises worldwide.

► **Reliable, Secure & Future-Ready Solutions**

We deliver robust, secure, and scalable solutions designed for long-term performance, stability, and business growth across web, mobile, and cloud platforms.

► **Agile Process & Scalable Teams**

We follow agile methodologies and enable quick team scaling to adapt instantly to evolving project needs, ensuring flexibility, speed, and continuous improvement.

► **Expert Team & Fast Delivery**

Our highly skilled developers bring over a decade of industry expertise, ensuring seamless hiring, rapid onboarding, and on-time project delivery with consistent quality.
